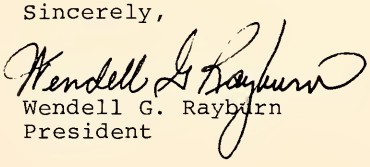
THE PRESIDENT'S MESSAGE

Dear Students and Friends:

The 1986 "Tiger" is a permanent record of the highlights and achievements that took place at Savannah State College during this academic year. This yearbook will be important to you, especially in later years, because it will transcend time and space in regard to some of your most precious memories and achievements. This document is also concerned with the present. It represents events, organizations, activities, sororities, fraternities and other events that were special to you during this year. It is my fondest wish that you will cherish and appreciate those wonderful days spent at Savannah State that the 1986 "Tiger" will permanently record for posterity.

Sincerely,



Wendell G. Rayburn
President

Savannah, Georgia 31404

Letter from YOUR S.G.A. PRESIDENT

Room 208
King Frazier Student Center
(912) 356-2505

May 2, 1986

Dear Students,

I would like to thank you for your votes and support and the confidence you had in me during my terms in office as your Student Government Association President.

It has been indeed an enriching and rewarding experience serving as your S.G.A. President. I sincerely hope that the goals and objectives we have yet to achieve, will still be achieved by future Student Government Leaders.

Even though we did not accomplish all of our goals the facts remain that we did accomplish many of our goals.

> "The tragedy of life is often not in our failure, but rather in our complacency; not in our doing too much, but rather in our doing too little; not in our living above our ability, but rather in our living below our capacitities."

I would like to share my learning experience briefly with future and prospective S.G.A. Leaders, excerpts from Paradoxical Commandments of Leadership.

1. If you do good, people will accuse you of selfish ulterior motives. Do Good Anyway!

2. If you are successful, you win false friends and true enemies. Succeed Anyway!

3. The good you do today will be forgotten tomorrow. Do Good Anyway!

4. Honesty and frankness make you vulnerable. Be Honest And Frank Anyway!

5. What you spend years building may be destroyed overnight. Build Anyway!

6. Give the "Students" the best you have and you'll get kicked in the teeth. Give the "Students" the best you have anyway!

You'll find that there is no such thing as Going Through .... (Organizations/ S.G.A.) Just for fun. It's seldom fun. It's tiring, ridiculously nerve wracking, demoralizing, and seemingly impossible. You've got to be deeply committed to students. All of them, not just the ones who are nice to you.... In order to go through with it.

Good luck in the future and I wish each of you much success in your endeavors.

Last but not least, "Remember, If you don't follow your dreams, you will never know what's on the other side of your rainbow."

Sincerely,

Adrian B. Houston

STUDENT PUBLICATION

Greetings:

Fellow students and all others that have had the the privilege of viewing an annual for the 1985-86 school year.

I hope that you have enjoyed the glorious pages of this year's annual. I enjoyed putting the book together. However, I experienced one of the most prevalent problems here at Savannah State College - STUDENT APATHY.

As you turned the pages, did you stop to think about the amount of time and effort that goes into the creation of OUR yearbook? Chances are some of you probably did not. You as S.S.C. students had better start thinking. The annual is supposed to be a STUDENT PUBLICATION. Student as in the student body not student as in individual(s) . Yet , the majority of the student body wants a yearbook and want it on time.

In closing, I would like to say that you as students should get involved, because this could very well be OUR last yearbook.

Very truly yours,
Valerie M. Andrews
Editor-In-Chief
